

WALDOtheCLOWN PROGRAMS

All About the Bible: The Bible is an amazing book! In this program, Waldo shows just how amazing it is by teaching what it can do for us & why we need to be reading from it every day.

Jesus, Our Very Best Friend: A program, not only about Jesus & His friendship toward us, but about us & our relationships with other people.

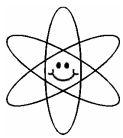

Real Love: Real love (the kind that lasts) has nothing to do with feelings. It has to do with our actions towards others. In this program, Waldo teaches what real love is all about & how to demonstrate it to others.

The Armor of God: All about spiritual armor, what it is, its' effectiveness & what it can do for us as we battle with the forces of darkness every day.

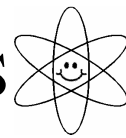

Stuff Only Jesus Can Do: Jesus can do things that nobody else can do. In this program, Waldo deals with three of these amazing things & why putting our faith in Jesus is the smart thing to do.

Other programs available from Waldo include:

- **Why Do We Need Jesus?**
- **God Thinks You're Special**
- **Growing As A Christian**
- **The Holy Spirit, Our Helper**

PROFESSOR STEVE PROGRAMS

Professor Steve's Unseen Forces Show

Air Pressure! Gravity! Inertia! Centripetal Force! You've felt them--now learn all about these gifts from God in fun & visual ways that make them easy to understand. Includes Prof. Steve's Amazing Flying Toilet Paper.

Professor Steve's Outta Sight Light Show

The world of light, rainbows, prisms, eyesight, black lights & lasers, complete with a truly awesome laser light show Grand Finale (utilizing four different red & green lasers + five different lighting effects).

Professor Steve's Wild Water & Fantastic Fire Show

Properties of water, ice, steam & fire, culminating in a finale complete with smoke, fire balls & confetti.

Professor Steve's Crazy Kitchen Laboratory Show

The science of air-pressure, friction & electricity, demonstrated with things that you find in the kitchen. Experience, among other things, the power of alka-seltzer rockets & the wonders of FrankenPickle.

Professor Steve's Reasons to Say No Show

Basic biology & the effects that smoking, drinking, drugs & junk foods have on the bodies God has given us.

Professor Steve's Science of the Circus Show

Step right up! Witness the wonder & the excitement of the sideshow & the circus explained from a scientific standpoint! Juggling! Cotton Candy! Tightrope walking! And the dreaded stool of nails!

Other programs available from Professor Steve include:

- **Professor Steve's High Voltage Electricity Show**
- **Professor Steve's Flight & Space Show**
- **Professor Steve's Optical Illusion Show**
- **Professor Steve's Amazing Air Show**

• **Science Day with Professor Steve** •

Looking for science fun on a grand scale? Professor Steve can be yours for the entire day, making it possible to combine both programs & hands-on activities all on the same visit. A great way to get a lot of Professor Steve, expose your kids to a unique learning experience & have fun learning about the creativity of God.

• **Circus Day with Steve/Waldo the Clown** •

Run off & join the circus without ever leaving church or camp! Steve Walden & Waldo are available for an entire day of clowning & circus education/workshops. Allow your group to experience the circus with shows & hands-on instructions in areas such as clowning, juggling, tightrope walking, magic, showmanship, etc.

Be sure to check the website for additional programs & more detailed descriptions.
